

# CUSTOM & STOCK INTERIOR PLANTATION SHUTTERS

## DESIGNER & TRADITIONAL WOOD SHUTTERS

Our Designer and Traditional Series plantation shutters are made from furniture-grade Western Red Alder, and are produced in a climate controlled plant, which virtually eliminates warping and maximizes the quality of the finish. We can create shutters to match any décor with custom shapes, including curved, arched and French door cut-outs.

### Specifications:

Louver sizes: 1¼", 1⅞", 2½", 3½", 4½" and 5½"  
Custom color-matched finishes are durable, long-lasting and environmentally safe  
Matching hinge colors  
Hidden offset tilt bar provides unobstructed view  
Five-year warranty  
Made in the USA

## PREMIUM WOOD SHUTTERS

Our Premium interior wood shutters are a luxurious addition to your home. Hand-crafted of select premium hardwoods, these shutters can be customized to fit any shape window or French door. The rich wood character and five-step finishing process create a lustrous furniture-quality finish that can be painted or stained to complement any décor.

### Specifications:

# CUSTOM & STOCK INTERIOR PLANTATION SHUTTERS

## POLYDESIGN SHUTTERS

Made from Celuka, a strong, synthetic extruded PVC foam, these affordable shutters resist warping, splitting, cracking and fading. Our incredibly durable PolyDesign shutters have a harder surface than many other foam shutters on the market, giving you maximum strength, dent resistance, and superior sanding and finishing qualities.

### Specifications:

Louver sizes: 2½", 3½" and 4½"  
Many frame options available  
Hidden offset tilt bar provides unobstructed view  
One-year limited warranty  
Made in the USA

## CUSTOM FAUX WOOD DISCOUNT SHUTTERS

Enjoy the beauty of wood without the cost with our easy-care faux wood shutters. These textured vinyl shutters will not crack, split or warp, and can be painted to complement any setting. Custom-sized plantation shutter sets can be made to fit any opening up to 74" high and 108" wide, making them a great fit for most windows.

### Specifications:

Louver sizes: 1¼", 2¼" and 3¼"  
White and wood-look finishes  
Matching hinges  
Magnetic catches  
One-year limited warranty

## MDF PLANTATION SHUTTERS

If you love the character and look of wood, but not the price tag, our medium-density fiberboard (MDF) shutters are for you. These custom hand-crafted shutters resist fading, denting, scratching and moisture damage, and provide a flawless finish sure to complement your home or office.

### Specifications:

Louver sizes: 1⅞", 2½", 3½" and 4½"  
Hidden offset tilt bar provides unobstructed view  
Many frame options available  
Stainless steel fasteners resist corrosion  
Recessed magnetic closures  
Limited lifetime warranty

## STOCK-SIZE FAUX WOOD DISCOUNT SHUTTERS

Stock size faux wood shutters are very cost-effective alternative to wood blinds. Textured vinyl shutters come pre-packaged in stock sizes, and will crack, split or warp, even under the hottest and harshest conditions. The complete, ready-to-install shutter kit includes a shutter pair with pre-mounted hinges, hang strips, zip strips that allow you to adjust for the opening, and all hardware.

### Specifications:

Louver selections 1¼" and 2¼"  
White and Golden Oak finishes  
Matching hinges and hardware  
Free freight and fast delivery
